I. Welcome.

II. Issue Action Plan. Website changes were suggested by Team members to improve navigation and understanding. Staff will make the changes.

There was much discussion regarding CPS room adoptions/make-overs. First Assembly of God in Apache Junction, Living Word in Mesa and Champion Church in Yuma are all beginning relationships with local CPS office staff. These connections will be highlighted at the September Summit.

Staff will begin working with the Southern Gila County Community Network Team to determine their willingness to take on the ArizonaSERVES Issues of CPS Visits and Foster Care. Local CPS support staff will assist with this effort.

Staff will work with CPS leadership to determine the best way to implement a “gift registry” approach to supporting visitation needs.

ArizonaSERVES will be presented at the Health Family Supervisor’s statewide meeting later this month.

III. Summit Planning. Team members will design and facilitate the Issue Breakout Session at the Summit to ensure success stories, expert panel, etc. Team assignments have been made for Facilitator, Web Guide, Success Story Coordinator and Scribe.

IV. Upcoming Task Force meeting. Next Task Force meeting is August 12, 2011.
